COME OUTSIDE TO... play, relax and escape into your 170,000 acre playground

Our 300 miles of undeveloped shoreline provide you an idyllic setting for outdoor recreation. Most of our east/west roads eventually lead to our shoreline. With over 500 miles of trails, you can have a great time with family and friends. Check out our website’s See and Do tab for more information on trails.

If you enjoy camping, choices include full hook-up camp sites to basic camping areas with fire rings and boat ramps. You can also camp on your own next to the water’s edge or in the woods. Remember to read and follow our Camping Rules. You can find them online.

For those of you seeking more comfort, our four gateway communities provide lodging, hotels and state park lodges. Check out our Communities page online.

Enjoy an authentic experience when you visit our state park lodges. Check out our Communities page online.

Remember:
- Leave No Trace
- Pack it in. Pack it out.
