THIS MAP IS VALID ONLY FOR THE OCTOBER 25-26, 2025, YOUTH HUNT.
AT OTHER TIMES, THE NATURE WATCH AREA IS CLOSED TO HUNTING.
(except for occasional hunts for disabled hunters from designated blinds).

The Youth Hunt Area includes two separate sections:

The boundary of the western section starts at the Trace, then goes East along Road 133 to a gated road. It turns South and follows the gated road down to the bottoms, goes through the woods and along an old levee, then follows another road that leads up to a gate at Road 135. It then turns West and follows Road 135 to the Trace. The boundary from Road 133 to Road 135 has been marked with signs. The boundaries of the eastern portion of Youth Hunt Area are Road 134 on the west side, Road 323 on the north side, and Lake Barkley shoreline on the rest.
