

Colson Hollow Group Camp | Fact Sheet & Application

Located on Kentucky Lake in the southern portion of LBL, this area provides 25 acres of maintained fields for camping groups of up to 200 people. A user fee is charged and a permit is required to use the area for overnight stays, but does not guarantee exclusive use. This area is a day use area. Compatible groups may also be scheduled for the same dates. Refuse container and one accessible vault toilet building are provided. Additional sanitary facilities can be provided upon request at an additional charge.

landbetweenthelakes.us

1. Camping permit required.
2. Disorderly conduct of activities that threaten the health and safety of anyone are prohibited.
3. Organized competitive events are subject to approval by authorized representatives of USDA Forest Service. This includes any sales.
 1. Group size limited to 200 at any one time (including guests). Limit could be lowered dependent upon the nature of activities.
 2. Permits may be required by some groups. Potentially hazardous events may be prohibited or require specified insurance coverage. Commercial sales or events that charge a fee do require a permit.
 3. Groups may stay up to fourteen consecutive days.
 4. Garbage must be placed in refuse containers provided.
 5. Wildlife and plant life are protected. Do not cut, pull up, or drive nails into trees or shrubs.
 6. Detailed regulations are available at www.landbetweenthelakes.us. Operation of all-terrain vehicles or golf carts is not allowed. Riding or camping with horses is not allowed.
 7. Fireworks are prohibited.
 8. Report loss, theft, accident, or disturbances to USDA Forest Service Law Enforcement Officers. USDA Forest Service is not responsible for theft or loss of personal property.
 9. Campfires are permitted provided they are built in such a manner that they will not spread and the fire is attended until completely out. Dead and down wood can be gathered for campfires.
 10. Speed limit is 15 mph throughout the area.
 11. Failure to observe these rules may result in the expulsion of the individual (or group) involved and jeopardize future use of the area.

In the event of heavy rain, the creek crossing may become impassible. Evacuate as needed.
